REGISTRATION IS OPEN - DON'T DELAY!

If you've ever organized an event of this magnitude, you know that the planning requires many educated guesses and trying to hit several moving targets. One such moving target is the number of seats we'll need for the awards dinner.

The fact is, it is possible that we could run out of seats at the awards dinner. Madras does not have a lot of huge venues for seated dinners, and there is the real possibility of filling ours before the demand is satisfied. In other words, if you procrastinate registering and buying awards dinner tickets, it is possible you will be able to register, but not be able to buy awards dinner tickets.

Please, don't be that guy!

Registration is open and awards dinner seats are still available as of the date of this Press Release, but they are filling fast. You can register and pay here – please don't delay:

TS1LO SCHEDULED TO APPEAR AT THE ATDI

In addition to everything else – the wonderful hotels, the wonderful climate, the outstanding on-site tech support, the magnificent touring roads, the guest speakers, and the scenic beauty of central Oregon – we have even more to announce!

TS1LO is essentially the first production TR2, and after a very long and painstaking restoration, it now appears as

it did at its debut in Canada in 1953, and it is scheduled to appear at the event. Don't miss this rare opportunity to inspect this one-of-a-kind Triumph at this one-of-a-kind event!

ABOUT HOTEL RESERVATIONS

We are thrilled to report that the rooms at our two host hotels sold out long ago. That's a total of 122 rooms claimed.

However, there are inevitably a few cancellations to be expected, and if you do not yet have a room reserved, it is worth a call to check on possible openings due to a cancellation.

We have also blocked 40 rooms at the Quality Inn in Madras, just about a half-mile from our headquarters hotel. To secure one of those rooms, you must call their direct number of 541.475.6141 and mention the Triumph club event and the dates of June 15-19. That room block will be released on May 15 – if it doesn't sell out earlier – so please do not delay making your reservation.
